

# WESTERN

## Deep Cycle Battery

## Professional Deep Cycle

If there is one thing we should know about the golf cart, it's that the golf cart battery must be able to deliver consistent performance day in and day out. That is why Western Electrical builds deep cycle golf batteries to provide the rugged durability, outstanding performance and long life that you have come to expect.

Engineered specifically to handle the rigors of continuous discharge and recharge, and with the clear purpose to deliver superior performance, durability and reliability, these batteries are manufactured by utilize the highest quality components, higher-density active material plates and optimized internal current flow design to enable them to withstand the stresses of deep cycling and meet the challenges of the toughest, hilliest courses in the battery world, no matter it's for golf cart, utility vehicle and low-speed passenger vehicle, as well as hunting buggies.

# Power. Driven.

Taking more people to their game...  
and job...than any other battery.

## Battery Specification

Model No.	Voltage (V)	Amp-Hour Rate(Ah)		Capacity(min)		Dimensions			Weight(kg)	
		5hr	3hr	@25Amp	@75Amp	L	W	H	Dry	Wet
3-EV-180	6	180	150	460	115	260	180	290	23.5	30.5
4-EV-180	8	180	150	450	115	260	183	305	30	38.8
3-EV-210	6	210	175	530	145	260	182	308	26	33.8
4-EV-145	8	145	108	295	117	260	183	290	23.5	30

### Note:

- A. The number of minutes a battery can deliver when discharged at a constant rate at 80°F (27°C) and maintain a voltage above 1.75 V/cell. Capacities are based on peak performance.
- B. The amount of amp-hours (AH) a battery can deliver when discharged at a constant rate at 30°C(86°F) for the 5-Hour rate and maintain a voltage above 1.75V/cell. Capacities are based on peak performance.
- C. Dimensions are based on maximum size. Dimensions may vary depending on type of handle or terminal.
- D. Dimensions taken from bottom of the battery to the highest point on the battery. Heights may vary depending on type of terminal.

### Available Terminal

1 ELPT    2 EHPT    3 EAP    4 LT
